

Will You Sponsor a Student With Down Syndrome?

Simple Sponsorship. Sweet Reward.

The Wonderwood Academy is dedicated to providing continuing education for students in Utah with Down syndrome to help them achieve their full potential. Each year our students benefit from specialized teaching techniques that allow them to advance in reading, math, science, art and speech - all vital skills for future success.

We are seeking local companies to sponsor students for the current school year and are excited to provide a sweet reward as a 'thank you' for your kindness.

Companies that donate \$500 or more towards a student scholarship will receive a scheduled delivery of all-you-can-eat* Dreyer's ice cream. Enjoy it as an on-site employee or client appreciation party!

Please review the sponsorship information included and we look forward to discovering your desired level of support.

Warm regards,

*Working Wonders & Increasing Opportunities
For Students with Down Syndrome.*

"Down syndrome is a challenge and I have it...I have special talents that other people don't have and Wonderwood helps me to work hard and to help others. My favorite class is speech so people can understand me better. I want to study science in college so I can be a veterinarian and help animals."

- Emily, Wonderwood Student
